

Sir Bernard Miller Centre

Meetings and conferences

Part of the John Lewis Partnership.

The Sir Bernard Miller Centre (SBMC) opened in 2006 and was built with sustainability at its core, with features such as a grass roof and harvested rainwater flushing the toilets.

Located next to the Thames and in the heart of the countryside village of Cookham, the SBMC offers the perfect venue for team days and conferences. The centre has a variety of meeting rooms, accommodating groups from 8 to 250 in setups ranging from Boardroom, Cabaret and Theatre.

Overnight accommodation is also available in our unique and charming estate, The Odney Club.

With easy access to M4 & M40 motorways, the hotel and conference centre is conveniently located nearby Heathrow Airport (LHR), Windsor and Legoland.

Maidenhead train station is well-connected to London and the new Elizabeth Line only a 10-minute drive from the SBMC.

We have plenty of free onsite parking available to delegates.

| Rate <i>Per person</i> | 2023 |
